Welcome home to this spacious and versatile 3-bedroom, 2-bath quad-level property centrally located close to shopping, dining, schools, and everyday conveniences. This home truly lives large, offering three separate living areas that provide flexibility for entertaining, relaxing, working from home, or creating dedicated hobby spaces.

Step inside to discover vaulted ceilings that create an open, airy feel, complemented by brand-new flooring on the main level. The thoughtful multi-level layout offers both connection and privacy, making it ideal for a variety of lifestyles.

Storage is abundant throughout the home—there's a place for everything! Outside the oversized outbuilding adds even more functionality, whether you need workshop space, extra storage, or room for your toys. You'll love the covered front and rear decks, perfect for morning coffee or evening gatherings.

Additional highlights include newer windows, a sprinkler system to keep your yard looking its best, and the freedom of no HOA.

This home combines space, comfort, and convenience. Don't miss your opportunity to make it yours!
